COUACH Yacht 37m

Welcome onboard

M/Y ARION, was launched on April 2011 and Designed by the Star Designer Ken Freivokh who created a chic soft interior with cherry and wenge woods, highlighted by suede and white lacquered panels.

ARION offers a warm atmosphere and is extremely functionally designed in a special high comfort version around, 1 large Master cabin and 2 comfortable VIP cabins, completed by a twin Guest cabin. These 4 cabins can accommodate up to 9 Guests.

Yacht Arrangement

The aft deck has an ample and comfortable dining area, a pleasant spot to enjoy afternoon cocktails.

The extended Sun Deck presents a curved Bar designed by Ken Freivokh with a plancha grill, fridge, ice maker. A lovely king size sunbathing area has been built at the rear deck for long hours relaxation.

A long dining table at flying bridge can easily accommodate 10 Guests for outside lunches and dinners comfortably installed on the sofas and protected from the wind and sun below the Hard Top.

The dining area is facing an embedded glass TV screen in the bar structure and a powerful Music system can allow nice parties between Guests.

The main deck salon area consists of a well-appointed and large sofa area, to enjoy the high end entertainment system. The main salon also comprises a large rectangular dining table to accommodate 8 to 10 Guests.

This luxurious salon offers fantastic views on the sea from large windows on port and starboard. The open layout creates a genuine feeling of space.

The lower deck boasts the Master cabin featuring two panoramic windows and an unexpected second large VIP cabin which is rare to find on such a yacht.

ARION is equipped with latest on-board technologies, all lights, curtains and audio/video system are controlled by i-Pad. From Salon and any cabins on board, Guests can access the Movie and Music Server.

This VIP cabin at lower deck offers almost the same comfort than the master cabin, a perfect accommodation for special Guests.

The elegant VIP cabin is located on the main deck forward area, and benefits from a large panoramic view, with an en-suite bathroom.

Finally the lower deck is completed with a twin Guest cabin which also includes a Pullman bed and its own bathroom.

The large garage is accessible from the outside and houses a 5,4m tender Novurania Equator EQR500, 1 Jet Ski SEA DOO – GTX 250 CV, as well as many other toys: sea bob, paddle, towable tubes...

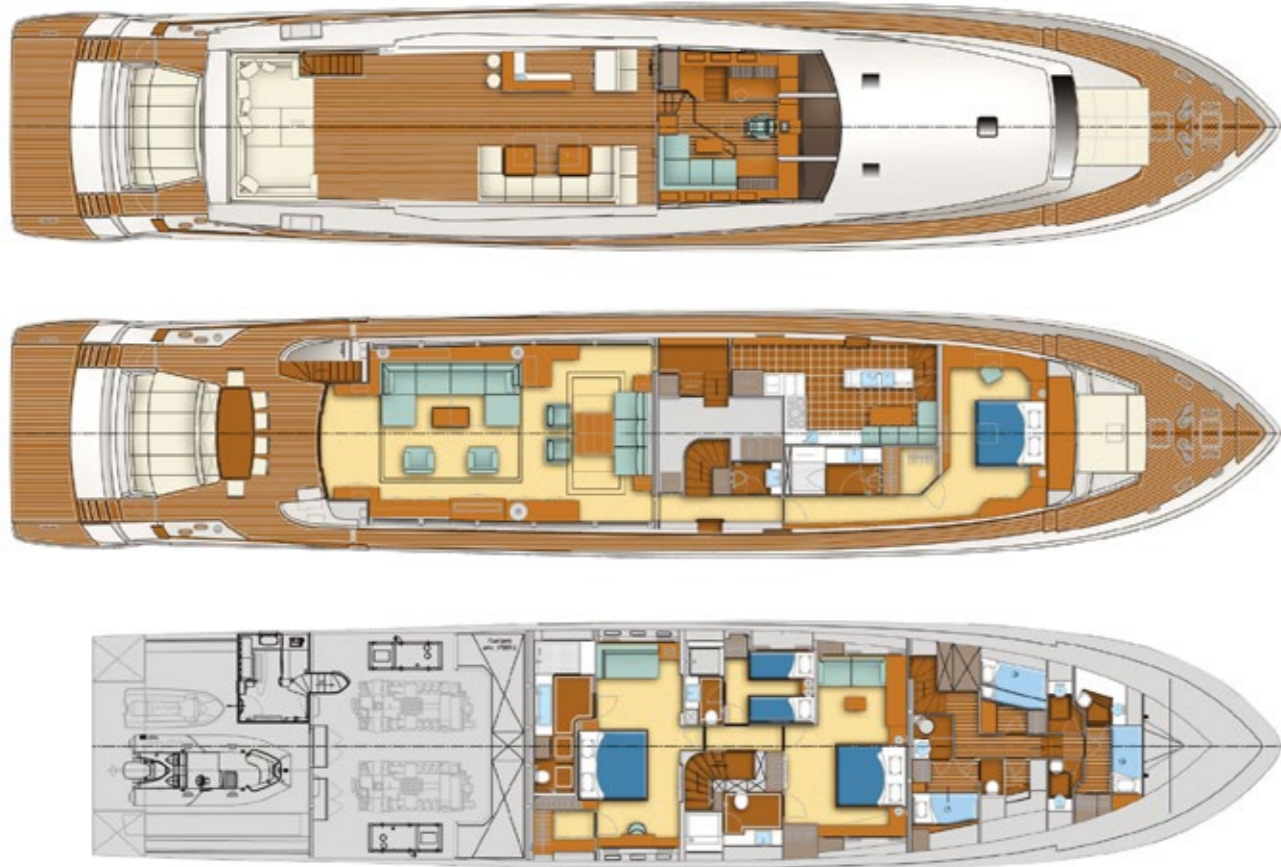

Always in the aft, the hydraulic swimming platform turns into an ingenious salt water swimming pool, offering the Guests and children a safe environment to enjoy the sea at anchor.

ARION is a real cruiser with a long range capability and a high performance hull which can comfortably cruise at 25kts even in rough seas.

M/Y ARION is powered by twin 2,735hp MTU engines she can maintain the highest levels of comfort and stability thanks to latest generation gyroscopic stabilizers, incredibly efficient at anchor and at cruise.

Operated by an experienced and professional Crew of 5, members on board will ensure you the very best charter experience.
