ENTHALPIA is a 22 metre aluminium ketch. She was built in 1992 by the Garcia Shipyards and designed by Philippe Harlé, whose reputation and renown is long established in the world of sailing yachts.

ENTHALPIA is characterised by several points: her exceptional sailing qualities; an extremely agreeable and comfortable interior layout furnished with traditional varnished woodwork; and the sense of great comfort on board.

Sailing such a yacht as ENTHALPIA is a unique and unforgettable experience;

ENTHALPIA is a centerboarder, meaning she can take you to wonderful places unknown of and out of bounds to other yachts.

She is available in both the East and West Mediterranean.
