VICTORIA DEL MAR is an exceptionally spacious yacht with all of the modern amenities needed for a picture-perfect charter. Her clean and minimalist interior was styled by Claudette Bonville Associates, who worked closely with the yacht's owners to produce a fresh and comfortable onboard atmosphere. VICTORIA DEL MAR is home to original artwork by Andy Warhol, Elsworth Kelly and Joan Miro. Her main deck offers an open layout, as her inviting main salon with beautiful woodwork and décor flows beautifully into a formal dining area, which is able to seat 12 guests under a stunning blown-glass chandelier.

VICTORIA DEL MAR is able to accommodate up to 12 guests in seven impressive staterooms. Her master stateroom is located on the bridge deck aft and boasts a semi-private, full-beam air conditioned aft deck space, with removable windows, and direct access to the sundeck and main aft deck. Two VIP staterooms with queen-size beds are located on the main deck forward and, below deck, she offers two queen staterooms and two twin staterooms, all outfitted with the most luxurious accompaniments. A full gym located on the main deck can be converted to a massage or spa room. A beautiful main staircase of anigre and zebrawood offers access all four decks, as does an elevator.

VICTORIA DEL MAR's skylounge is an exceptional space to relax. Sit back in the comfortable couches in front of the large-screen TV or enjoy cocktails at the bar and make use of the perfectly situated game table. The skylounge is flanked by private balconies, well suited for sightseeing, reading and more.

VICTORIA DEL MAR's sundeck offers a large Jacuzzi, sunpads and alfresco dining for up to 18 guests. A bar, day head and shower make this space a favorite for guest by day and by night, when the space is converted to an outdoor theater with a 100-inch screen.
