The Ferretti 881 RPH Maxi Beer combines the structural excellence of the original yacht Ferretti 881, with the addition of an upper deck containing a pilot house that dominates the sea. Coming on board, the spaciousness of the interior together with the use of light tones, make the salon stand out in terms of size and luminosity. Situated on the lower deck, the master cabin has two large open windows on either side which make it an extremely spacious and luminous suite, providing the guests a panoramic view of the sea. In addition to the master cabin there are two twin bed cabins with en suite bathrooms and a VIP cabin in the bow. M/Y Maxi Beer offers plenty of opportunities to enjoy the sun in total comfort.
