 Snorkel gear

QUINTA SANTA MARIA is a fantastic fast cruising sloop. She was constructed for her current owner, an experienced yachtsman who demanded the highest standards of construction. Her hull, deck and superstructure were built by Composite Works, and her interior and electrical systems fitted by Mondomarine. As well equipped as she has been designed, QUINTA SANTA MARIA has successfully raced in numerous cruising racing events as well.

She has two large cockpit entrances for guests (forward) and crew (aft). There is a spacious saloon with a sofa on port and dining table on starboard. She comfortably accommodates 8 guests in 4 cabins: 1 double bed owner's cabin forward, 2 twin bed guests' cabin and 1 upper and lower bed guests' cabin.
